

Istanbul Luxury Shopping Experience

3 Days / 2 Nights · Group Tour (With Hotel)

Istanbul has always been a city of merchants. From the silk caravans of the Spice Route to the hand-knotted rugs of Sultanahmet, from Ottoman jewelers to today's global flagship stores — this city trades in beauty. This three-day private programme is built for the discerning traveler who wants to experience that legacy the way it was meant to be experienced: with nothing between them and the finest Istanbul has to offer. No queues. No public transport. No hurry. Your journey begins at the aircraft door with a VIP airport welcome, continues through Istinye Park and the Grand Bazaar, and concludes at Zorlu Center — the three pillars of Istanbul luxury retail — all delivered in a Mercedes-Benz E-Class with an English-speaking driver and a dedicated personal shopping assistant at your side. For guests who measure a city not by its monuments, but by its ateliers, avenues, and addresses.

Day-by-Day Itinerary

Day 1 VIP Arrival — Istanbul, From the Aircraft Door

The moment your aircraft reaches the gate, the experience begins. Our VIP team meets you on the aircraft jetty itself, before you enter the terminal. A private buggy escorts you through Istanbul Airport's marble corridors, past passport control via the priority lane, to the arrivals hall where your Mercedes-Benz E-Class awaits. Luggage handled discreetly. Within minutes of landing, you are on the road to your hotel, with the Bosphorus glittering to your right as the city opens before you. Evening at leisure — Michelin-recommended dinner reservations available on request.

Day 2 Istinye Park & the Grand Bazaar

Morning collection from your hotel. We begin at Istinye Park — Istanbul's most refined modern shopping destination, home to Louis Vuitton, Prada, Dior, Hermès, Cartier, Chanel, and the Turkish luxury houses Vakko and Beymen. Your assistant coordinates private showings where desired. After lunch (Michelin-recommended options nearby), we cross the Bosphorus for something completely different: the Grand Bazaar. 550 years old, 4,000 shops, 64 streets. Here we visit our trusted masters only — the finest carpet dealers, hand-worked gold and diamond houses, antique dealers, ceramic ateliers, and leather artisans. Negotiation, authentication, and export paperwork handled on your behalf.

Day 3 Zorlu Center & Departure at Leisure

A lighter third day. Zorlu Center — a destination that feels more like Milan than Istanbul — houses Armani, Saint Laurent, the Apple flagship, and the city's most stylish lifestyle boutiques alongside the acclaimed Morini and Tuğra dining rooms. Afternoon at your pace. Your driver and assistant remain on call until departure. Transfer to Istanbul Airport in your E-Class. We accompany you to check-in and fast-track security where available.
